## WINE (I wonder, I imagine, I notice, empathy)

- **I wonder if...** (e.g. it felt like no one understood you).
- **I imagine...** (e.g. that was horrible when that happened).
- **I notice...** (e.g. how you perked up when you said you felt close to your brother).
- **I felt moved when you said...** (e.g. for years you thought you were to blame for the abuse. But now you realise you were not to blame and you feel freed from a terrible burden).
- **That sounds...** (e.g. painful because you were all on your own). [empathy]
- **This is my drawing about what you said** (show drawing).
- **I respect you for...** (e.g. your courage).
- **Will you help me understand x?...** (e.g. what it was like for you when your mum went to hospital?).

After voicing your curiosity, e.g. 'Will you help me understand' always follow up with **empathy** e.g. 'So when you Mum went to hospital your say you felt terribly lost and alone. I can understand that. So painful, as I know how close you are and how much you feel supported by her.' (This should not be simply a parroting of what they said but showing that you have understood the main emotional themes in their response).
